LES RÉSEAUX SOCIAUX POUR CHERCHEURS: UNE ILLUSION?

Un récent débat autour du libre accès aux données et publications scientifiques et d'un réseau social pour chercheurs [1] m'a poussé à me poser une question que j'ai déjà effleurée ici ou là. Des réseaux sociaux spécifiques aux chercheurs ont-ils une quelconque utilité pour les chercheurs? Qu'apportent-ils de plus que les outils sociaux génériques comme twitter, ...
